8. GAME VIDEO

In order to be able to best evaluate your talents and potential, it is critical that you provide us with game tapes of you in action. This will be used by our staff at IFAF/ USA Football, as well as by the coaches at the high schools that we work with to help international student athletes achieve their dream of attending a US high school and playing football there.

What we need is:

- * A Highlight Video of some of your best plays and games, approximately 5 minutes in length. Be sure to note what number you wear, and what jersey colors, as well as positions on the video.
- * A complete game video from your most recent season. Again, note your jersey color, number and positions played.

These should be posted on YouTube, with information on the posting sent via email to:

Patrick Steenberge psteenberge@usafootball.com

Jack Reed jreed@usafootball.com

Michael Preston michael.preston@IFAF.org

You may also send videotapes to USA Football, but the preference is for YouTube.com video:
